CARE & CLEANING

Most stains can be cleaned using warm soapy water, followed by clean water rinsing. Moderate scrubbing with a medium bristle brush will help loosen soiling from the embossed surface. Failure to follow cleaning instructions may permanently stain and reduce the life of the vinyl.

All vinyl products are designed and manufactured in accordance with the quality assurance system ISO 9001.

MARLO

Commercial Upholstery Vinyl

MARLO provides the look and feel of a soft textured leather with the durability and ease of care of a commercial vinyl.

The subtle contrast of colour creates a sense of warmth and sophistication to complement new and existing interior settings... perfect for use in hotels, restaurants, hospital and educational facilities.

MARLO is U.V. resistant which enables the vinyl to withstand extreme outdoor conditions. It is also treated with a Protech coating helping to guard against stains and inhibit the growth of bacteria, especially important in healthcare environments.
