CARE & CLEANING

Most stains can be cleaned using warm soapy water, followed by clean water rinsing. Moderate scrubbing with a medium bristle brush will help loosen soiling from the embossed surface. Failure to follow cleaning instructions may permanently stain and reduce the life of the vinyl. For further cleaning information, please contact Abecca for a product cleaning guide.

BS EN ISO 9001
Registered
Company
SATRA
Certificate No. 0403066
Standard Issue 2008

All vinyl products are designed and manufactured in accordance with the quality assurance system ISO 9001.
